

# MASTERCLASS

## Individual Weekly Sessions

Discover a transformative learning experience with our Masterclass, a program enriched with three vital components:

1. **Live Video Sessions on Zoom:** Dive into a world of knowledge and interaction in our live Masterclass sessions. Once registered, you'll receive a link to join these engaging and informative sessions.
2. **Exclusive Post-Session Access:** Access to the iBOSS Coach Account comes with your registration. Here, you'll find extensive resources to continue your learning journey, allowing you to delve deeper and solidify your understanding at your own pace.
3. **Daily Engagement and Reflection:** Enhance your learning experience with daily polls and questions thoughtfully curated to deepen your understanding and assist in your progress. These 10-minute daily exercises are designed to maximize the value you gain from the Masterclass, supporting your long-term growth and planning.

## Active Account

Keep your Masterclass Coach Account active seamlessly with these options:

- **Individual Sessions:** Each Masterclass session you enroll in keeps your account active for 30 days from its start.
- **15-Weekly Bundle:** Opting for this bundle extends your access, maintaining account activity for six months from your registration date.

These options cater to your educational needs, ensuring ongoing access to our valuable Masterclass sessions.
