

Individual Monthly Sessions

Join our dynamic Mastermind Group sessions, where Masterclass learning meets peer collaboration. This program includes three essential elements to enhance your business management skills:

1. **Live Video Sessions on Zoom:** Engage with peers in live sessions, diving into content and activities that deepen understanding and aid in building your unique business journey. You'll receive a registration link for the Mastermind Group Session once you've registered for the class.
2. **Exclusive Access with Registration:** Benefit from access to the iBOSS Coach Account, where you can engage with group activities, assignments, and a wealth of resources. Connect with peers, progress at your pace, and tailor your learning and planning.
3. **Weekly Assignments & Daily Reflections:** Tackle weekly collaborative assignments for hands-on learning, requiring no more than 20 minutes. Additionally, engage with daily polls and questions designed to deepen your understanding and support your journey, all in just 10 minutes a day.

Active Account

Maintain uninterrupted access to your Mastermind Group and Coach Account with these straightforward steps:

- **Individual Sessions:** Stay active by enrolling in any Mastermind Group session, with each extending your account's activity for 30 days from its commencement.
- **5-Month Bundle:** For longer access, choose the 5-Month Bundle. This will keep your account active for the entire six months of the program and from your registration date.

These flexible options are designed to match your learning pace and ensure consistent access to valuable resources.
