

## **Individual Self-Paced Learning Course**

Explore at your own pace with our Self-Paced Learning Program, mirroring the enriching experience of our Masterclass but tailored for flexibility:

1. **Recorded Masterclass Sessions:** Gain access to the same in-depth knowledge and interactive experience of our live Masterclass sessions, now in a recorded format. Once registered, you'll receive a link to these comprehensive and engaging sessions, viewable at your convenience.
2. **Ongoing Access to Resources:** Registration grants you access to the iBOSS Coach Account, where a wealth of resources await. Continue your learning journey post-session, diving deeper into topics and reinforcing your understanding on your own schedule.
3. **Consistent Engagement and Reflection:** Your learning is enhanced with regular polls and questions, paralleling our live Masterclass format. These daily, 10-minute exercises are crafted to deepen your understanding and aid in your development, ensuring you extract the utmost value from the program and support your long-term objectives.

## **Active Account**

Keep your Self-Paced Learning Coach Account active and your learning uninterrupted with these simple steps:

- **Individual Courses:** Each course you enroll in keeps your account active for 30 days from its start date.
- **15-Part Bundle:** Opt for this comprehensive bundle for an extended access period. Your account stays active for six months from the date you registered for the bundle.

These options ensure continuous access to your learning materials, fitting your schedule and educational needs.
